659 Merrick Road  
Lynbrook, NY 11563

Ms. Niclole Bala  
President, Nassau Wings Motorcycle Club  
38 Meadowlark Drive  
East Northport, NY 11713

Dear Mr. Radecker and Ms. Bala,

Thank you so much for the gift of \$3,465. to the Amyloid Treatment and Research Program at Boston University School of Medicine, in memory of Mr. Horst Radecker. Your gift will be enormously helpful in our research work and we are very very grateful.

Our whole research team was overwhelmed by the touching story of your fund raising event. Bob's Bikes and the Nassau Wings Motorcycle Club are incredible! We could hardly believe the story- 260 motorcyclists, 24 different clubs, the check points with playing cards, and amazing food donations! Horst Radecker was truly a beloved person. And the pictures are fantastic!

The dedication of your family, the involvement of so many motorcycle clubs and riders, and the contributions of merchants in your area was truly heartwarming. If you would allow us, we would like to put a copy of your letter, flyer, list of merchant donors, and some of the pictures on our website to let others who suffer from amyloidosis know what you have done for them. Julie Cosio from our office will call you in a few days to see if you are agreeable to this.

Your generosity means a lot to our research work. Stories like yours give our clinicians and researchers great encouragement and make you part of our team. I know Pop Radecker would be very proud of you.

We thank you from the bottom of our heart.

Sincerely yours,

Martha Skinner, M.D.  
Professor of Medicine

## AMYLOID TREATMENT AND RESEARCH PROGRAM, 2001

Dear Bikers — so much!  
Thanks  
Martha Skinner
