Dear Mr. Cruz,

Many many thanks to the wonderful members of the Nassau Wings Motorcycle Club for your gift of \$5,446.00 to the Amyloid Treatment and Research Program at Boston University School of Medicine. We are grateful to you for your hard work in putting on the "Pop's Run" event each year and for the generosity of all of you.

We were thrilled to meet you this year when you came to present your gift. We will all remember the great afternoon we had together. We have decorated the bulletin board with your "big check" and happy photos for all to see as they enter our floor.

Many thanks and warm wishes to all.

Sincerely yours,

Martha Skinner, M.D.
